

Wine of the Month 2014 Pendulum Cabernet Sauvignon

About the Winery

Just as a pendulum regulates the movement of a clock's work to ensure it is accurate, the viticulturalists and winemakers who create Pendulum regulate the wine growing and winemaking process to ensure that we create wine that is balanced to perfection. Sourced from the Columbia Valley appellation in Eastern Washington, Pendulum benefits from the long, warm summer days and cooler nights which allow grapes to ripen to perfection while protecting their natural acidity. Pendulum is full of intense flavor, artfully blended to achieve a complex and worldly wine.

About the Wine

The Pendulum Cabernet Sauvignon 2014 is a luxurious red wine that shows layers of fruit and savory flavor. This full-bodied Cabernet Sauvignon is dense with flavors of spicy black pepper, ripe blueberries, and black plum. Notes of leather, Red Delicious apple, and toasty oak linger on the long and satisfying finish. Enjoy this red wine with a variety of delicious dinner menus. It will pair well with foods like roasted red meats or a chargrilled steak with mushrooms. Enjoy this wine at slightly below room temperature.

Wine of the Month 2014 The Show Cabernet Sauvignon

About the Wine

In 2005, the Three Thieves collaborated with Nashville's Hatch Show Print to express their creative fair to bring us the big, bold Cabernet Sauvignon from the land of California cowboys. Like a Hatch print for a music gig, The Show grabs your attention. Big and bold, it is dominated by full flavors of dried black cherries, jammy preserves and complex toasty, vanilla, and spicy oak. The Show combines grapes from premier California grape growing regions and is aged in both French and American oak. What you have here is a pure, unapologetic expression of California Cabernet Sauvignon.

Wine of the Month 2015 True Myth Chardonnay

About the Winery

Jack Niven came to San Luis Obispo in the early 1970s with the vision to plant a vineyard in what was then a valley of dairy farms and garbanzo beans. After working with the top viticulture professors from UC Davis and Fresno State, he determined the perfect location and planted the Paragon Vineyard in 1973. Home to the oldest continually producing Chardonnay vines in the region, the Niven family has owned and farmed this vineyard for more than 40 years. Jack later went on to petition to establish Edna Valley as an official American Viticultural Area (AVA) in 1982. The second and third generations of the Niven family have since continued his legacy. Today their portfolio focuses on exploring the endless potential and diversity in their historic Paragon Vineyard and throughout San Luis Obispo County.

About the Wine

A classically styled Chardonnay from the Edna Valley showcasing aromas of pear, white peach, pineapple and wet stone. Flavors of beautiful tropical fruit with mineral undertones and textured creaminess are balanced with refreshing acidity, a hallmark of Paragon Vineyard, that keeps the wine lively and fresh from start to finish. All topped off with the perfect complement of vanilla bean and toasted oak.

Wine of the Month 2014 *Votre Saute Chardonnay*

About the Winery

Francis Ford Coppola Winery, re-opened in July 2010, is the latest venture from Francis Ford Coppola, whose passion for wine, food and adventure is nowhere more evident than in this new production – a winery resort located in the heart of Alexander Valley, California.

About the Wine

Votre Santé Chardonnay has the bright aromas and flavors of pear, peach, quince and honeysuckle. The wine also reveals an appealing minerality that harkens back to Burgundy. Notes of vanilla and nutmeg from oak aging balance the complex varietal character.
